

## Waste Management "Industrial" Customers Report

Please note that this WM Report entitled "Industrial Customers" mostly includes "Commercial", "Residential" and "Institutional" customers. (e.g. they list Selective Insurance and Sussex Vo-Tech as industrial when they should be "Commercial" and "Institutional" respectively).

**Only choose "Industrial" in the Sector pull down menu in the Tonnage report if it's from a manufacturing, industrial or R&D operation.** This is important as NJDEP will not count industrial tonnage towards your municipal grant.
